

LUSA Recruiting/Transfer Policy

It is LUSA's policy to strictly prohibit recruitment of players from one LUSA team to another by members, coaches, parents, players or friends. Any LUSA members, coaches and/or players involved in recruiting a player from one LUSA team to another will be subject to sanctions, including but not limited to loss of LUSA membership.

A LUSA player, of their own volition, may approach another LUSA team regarding a team transfer. The transfer will be allowed on the condition that the player's current coach is informed by the player, of that player's intention to leave the current team.

A player may switch teams within LUSA between seasons, but not during a season. Once a player signs a registration form, that player is bound to that team for the duration of the registration year; which runs Fall through Spring. If at any time during the registration year, a competitive player desires to transfer to another club's team, that player must submit a completed Player Request Transfer Form to LUSA, explaining the request for transfer. The player must also submit a \$100 transfer request fee.
